

Livermore Valley Joint Unified School District's Measure J Citizens' Bond Oversight Committee

Annual Report, Fiscal Year 2022-2023

On June 7, 2016, the voters of Livermore overwhelmingly passed the \$245 million Measure J Bond. Measure J allows renovation of aging Livermore classrooms and school facilities, addressing aging infrastructure, modernizing outdated facilities, and providing 21st century instructional technology. Measure J is supporting the Livermore Valley Joint Unified School District's (LVJUSD) mission that "Each student will graduate with the skills needed to contribute and thrive in a changing world."

Under Proposition 39, a school district's Board of Trustees is required to establish and appoint members to an independent citizens' oversight committee. The purpose of the Citizens' Bond Oversight Committee (CBOC) is to inform and alert the public regarding the expenditures and uses of Measure J Bond money.

access to all information requested. LVJUSD remains solely responsible for management and control of implementing projects specified in the measure as passed by voters.

The CBOC has reviewed each annual third-party audit of income and expenditures of bond funds, since the voters approved Measure J. In each previous annual report, the CBOC has found LVJUSD to be in compliance with the requirements of Measure J as passed by the voters.
